Bride · Ananya Rao	No

The Two of You

Karthik has Leo rising and the Moon in Leo, in Uttara Phalguni nakshatra. He is loyal, proud of his family and happiest when he is providing for others. His Sun and Mercury sit in the seventh house of partnership, so he looks for a partner he can talk to as an equal.

Ananya also has Leo rising, with an exalted Moon in Taurus in Krittika nakshatra. She is steady and dependable, and she values a settled home. Venus in her lagna gives her warmth and a fine sense of beauty.

Both charts share the same ascendant, which often gives an easy, instinctive understanding of each other's outlook on life.

SAMPLE

Guna Milan: the Eight Kootas

The match scores **22 out of 36**, above the traditional minimum of 18.

- **Nadi (8/8):** different nadis. This carries the most weight of all eight kootas, and it is in full agreement.
- **Bhakoot (7/7):** the Moon signs are in a 4/10 relationship, which is considered harmonious.
- **Tara (3/3):** the birth stars are favourable to each other in both directions.
- **Yoni (3/4):** good physical compatibility.
- **Varna (1/1):** in agreement.
- **Graha Maitri (0/5):** the Moon-sign lords, the Sun and Venus, are not natural friends. Your ways of thinking differ, and it helps to talk things through.
- **Gana (0/6):** Manushya and Rakshasa temperaments. Expect different ways of reacting under stress.
- **Vashya (0/2):** neither naturally defers to the other.

Doshas and Manglik Status

Gana dosha is present and is not cancelled by a classical exception, because Graha Maitri is also low. In practice this means both of you should agree in advance how disagreements will be handled.

There is **no Nadi dosha** and **no Bhakoot dosha**, which are the two doshas families traditionally weigh most.

Neither of you is Manglik from the lagna, which is the primary check.

Strengths of This Match

The strongest points are the full scores in Nadi and Bhakoot, a shared Leo ascendant, and Tara in agreement. These point to good health together, family growth and mutual well-wishing.

Both of you are in Rahu mahadasha with a Venus antardasha at the same time, so you are at a similar stage of life: building careers and wanting recognition. This shared timing is an advantage.

The care points are temperament (Gana) and different mental styles (Graha Maitri). Decide together how money and family obligations will be shared.

SAMPLE

Guidance and Remedies

1. For Gana dosha: worship Lord Shiva together on Mondays, with a simple *Om Namah Shivaya*.
2. For Graha Maitri: on Sundays offer water to the Sun together, and on Fridays share a sweet with family.
3. Karthik's Sun antardasha begins on 17 March 2027 and Ananya's Venus antardasha continues until May 2028. The months of overlap from March 2027 favour a formal commitment.
